

Private Mortgage Insurance Removal Fact Sheet

What is Borrower Paid Private Mortgage Insurance?

Borrower Paid Private Mortgage Insurance (BPMI) may allow homebuyers to qualify for a loan with less than 20% down at closing. BPMI premiums are typically paid on a monthly basis for the prior month.

How the BPMI cancellation process works:

You have the right to request BPMI be canceled on either:

1. The date the principal balance of the account is first *scheduled* to reach 80% of the "Original Value*" of the property,
Or
2. The date the principal balance *actually* reaches 80% of the "Original Value" of the property.

BPMI cancellation will take place if:

1. The account is current
2. You have a good payment history**
3. A valuation ordered by us offers, (i) evidence that the value of the property has not declined below its "Original Value" and (ii) certification that there are no subordinate liens on the property.

***Original Value** - the lesser of (i) sales price or the (ii) appraised value, at the time at which the subject residential mortgage transaction was consummated (origination).

**Good Payment History

- No payments 60 days or more past due within the past 24 months.
- No payments 30 days or more past due within the past 12 months; and
- If your loan is less than 12 months old, the above criteria will be satisfied if no required payments have been made 30 days or more past due.

The following may impact how your account is evaluated based on loan investor requirements:

- Property type of your residence
- Number of units
- The original occupancy type
- State laws, investors, and HPA all have different criteria and circumstances.

What happens next?

If the Valuation Authorization form is signed and returned, a valuation (in the form of an Appraisal, Broker Priced Opinion also known as a "BPO"), or AVM will be performed to ensure your current property value has not declined below the original value or meets investor guidelines in conjunction with BPMI cancellation.

Although costs vary according to property location and type of service, the approximate costs associated with this process are as follows:

- > Exterior BPO/Interior BPO: \$110 - \$350
- > Exterior Appraisal/Interior Appraisal: \$325 - \$800

If the property value meets the required guidelines, BPMI will be removed and the escrow payment will be adjusted accordingly. We will send a letter advising of removal.

What if I make additional payments toward principal? Can I get PMI canceled earlier?

Yes, you may make payments towards principal to bring the LTV to a threshold described in the "Investor Rules" section below. The above-mentioned requirements still apply.

What if my property value has appreciated? Can I get PMI canceled earlier?

This depends on the loan's investor. Please reference the "Investor Rules" section below or contact us for more information.

What if I have made substantial improvements to my property? Can I get PMI canceled earlier?

This depends on the loan's investor. Please reference the "Investor Rules" section below or contact us for more information.

Submit your written request to:

GMFS LLC c/o Specialized Loan Servicing LLC
P.O. Box 636005
Littleton, CO 80163-6005

How the automatic BPMI termination process works:

If the loan is current on payments, BPMI will terminate automatically on the earlier of:

- The date the principal balance of the account is scheduled using the amortization schedule from origination to reach 78% of the "Original Value" of the property

Or

- The first day of the month, after the date that is midpoint of the amortization period of the account (e.g., for a 30-year loan, after the 181st payment has been made).

For accounts that are brought current, BPMI will terminate automatically effective the first day of the month, after the account payments become current.

Note: To be eligible for BPMI termination under the Homeowners Protection Act (HPA), the property must be a single unit, owner occupied at origination, your primary residence and the loan must have been originated after July 29, 1999.

If you have questions regarding this information, contact Customer Care toll free at 1-866-392-1860, Monday through Friday, 6:00 a.m. until 6:00 p.m. MT. We accept calls from relay services on behalf of hearing-impaired borrowers.

We adhere to the Homeowners Protection Act (HPA), state laws, and investor requirements.
